

Fun Statistics from the November 2022 Election

Trustee, Steven Lawyer, received 311 votes. There were 4 write-ins, 2 of which were blank. The two names written in were: Michelle Becker and Aiden Ruble. On another note, Steven missed out on 97 votes, meaning those people maybe don't know who Steven is.

Trustee, Kimberly Smith, received 300 votes and there were 3 write-ins, 1 of which was blank. The names written in were: Kathy George and David Warren II. 109 people did not fill in a box for this position, possibly meaning they just don't know who Kimberly is.

Clerk, Misti Kosman, received 302 votes with no write-ins....Go figure! 110 people did not fill in a box for this position because they may not know who Misti is.
